During the month of **June**, though we don't hear much about it, is traditionally dedicated to the **Sacred Heart of Jesus..**

Jesus, whom Paul calls the 'image of the unseen God', shows us what God is like. Through the symbol of the heart, Jesus is pointing to the Love of God, telling us that God loves us, all of us, always. 'For this is how God loved the world: he gave his only Son, so that everyone who believes in him may not perish but may have eternal life' (John 3:16). **The heart of Jesus is warm, tender and concerned for all humanity and creation.**

For Julian of Norwich, who lived long before formal devotion to the Sacred Heart was established in the Church, Love was quite simply the kernel of the Christian message. Her whole theology could be summed up in one line from her book, 'Revelations of Divine Love': "Love was his [Jesus'] meaning". What is original in Julian's approach to the Love of God is its reciprocal nature: not only does God love us, God longs for and rejoices in our love. And so she hears God speaking to the repentant sinner: "My dear darling, I am glad thou art come to me...we are oned (united) in bliss".

**Maybe as we journey through the month of June we might take some time to reflect on the love Jesus has for each one of us.**
